Pulse light system

RVSM

Interior: 8+/10

A very nice example of a well-cared for, low time aircraft with beautiful deep caramel leather complimented by matching side panels and carpet. Cabinetry and left and right executive tables completed in maple veneer. Forward deluxe refreshment centers and Mapco hot water dispenser.

Exterior: Rated 8+/10

Original paint is in great condition showing little to no signs of its age. The color is Matterhorn White with Fawn, Las Vegas Gold and Black accents.

Inspections:

Phase 1-4 done 02/21

Phase 5 done 02/22

Both done by Textron Wichita

COMMENTS:

This aircraft leaves very little to be desired for anyone looking for a jet to get the job done. The exterior, interior, engines, and everything in between has been meticulously maintained. A fresh Borescope was just performed 02/18/22 and returned flawless.
