**Exterior:** The exterior of N7577Y was completely redone in July of 2006! It's done in a Modified AOPA Sweepstakes design using an overall Matterhorn White with Ruby Red Metallic, Platinum Metallic, Black Velvet Metallic and Oak Brown Metallic trim.

---

**Interior:** The interior of N7577Y was also completely redone in July of 2006! It was completely stripped, de-glued and sandblasted. The seating was upholstered top high quality Linen Silk Tan Leather with side panels and overhead in the same. The Granite Beige carpeting is wool. The lower side walls and seat skirts are done in hazelnut leatherette. New plastic in matching earth tones.

---

**Inspection Status:** N7577Y will be delivered with a fresh annual inspection!
